Investment Calculators	
Annual Rate of Return Calculator	Use this calculator to determine the annual return of a known initial amount, a stream of deposits, plus a known final future value.
Retirement Savings and Planning	
401(k) Savings Calculator	A 401(k) can be one of your best tools for creating a secure retirement. Use this calculator to see why this is a retirement savings plan you cannot afford to pass up.
401(k) Spend It or Save It Calculator	There are several ways to manage your 401(k) when you leave an employer. Making the wrong decision can cost you thousands of dollars both in taxes and lost earnings.
How long will my retirement savings last?	Use this calculator to see how long your retirement savings will last based on your retirement savings and your inflation adjusted withdrawals.
Required Minimum Distribution (RMD)	Use this calculator to determine your Required Minimum Distributions (RMD) as an account owner of a retirement account. This financial calculator will also look at potential future year's distribution requirements.
Retirement Contribution Effects on Your Paycheck	Use this calculator to see how increasing your contributions to a 401(k), 403(b) or 457 plan can affect your paycheck as well as your retirement.
Retirement Planner with Retirement Earnings	Plan your retirement with pension and possible retirement employment income. Find out if you are on track - and learn how to stay there.
Should you Borrow From a 401(k) or 403(b)?	The majority of 401(k) plans and a growing number of 403(b) plans let you borrow money from your account. Use this calculator to help you determine if you should borrow, and the potential impact on your retirement savings.
Social Security Benefits	Use this calculator to estimate your Social Security benefits.
Savings Calculators	
Don't Delay Your Savings!	Waiting to begin your savings plan can have a huge impact on your results. This calculator helps show you how much postponing your savings plan can really cost.
